

Increasing Capacity, Improving Care

Supporting NHS organisations to strengthen mental health care...

The Liaison National Bank connects recently retired and peri-retired healthcare professionals, with NHS providers looking to increase capacity and improve patient care.

Latest estimates put the mental health waiting list at 1.2m people. The Bank supports healthcare professionals to continue their service, leveraging their tenured experience to enhance clinical capacity and patient care.

Why Join?

- ✓ Access experienced mental health professionals nationwide to provide additional capacity.
- ✓ Promote assignments for in-person or remote cover to meet your NHS organisation's needs.
- ✓ Quick onboarding and training for your teams on the TempRE platform, making it easy to track and manage bookings.

Expressions of interest are now open. Simply use the QR code to express your interest, and our team will be in touch.
