

Agency Spend Reduction. Delivered.

Gaining grip and control of agency spend

Liaison
Workforce

Transforming the
health economy

**Wrightington,
Wigan and Leigh**
NHS Foundation Trust

Challenge

Minimising inefficient bookings and associated costs with agency workers while enhancing visibility and optimising processes.

Solution

Supporting the Trust to reduce Agency costs by:

- Guiding the Trust to use the most cost effective resource
- Converting standard agency placement workers to direct engagement
- Targeted substantive recruitment to eradicate agency use
- Monitoring bookings to ensure stability
- Empowering the Trust to renegotiate agency commission rates
- Providing the systems, tools, reports, and training to gain control and maximise savings

Snapshot Story

“ Working in close partnership with Liaison has meant that the Governance and controls around temporary staffing booking are now vastly improved.

I'm looking forward to seeing what savings can be achieved over the next 6 months.

Elaine Middleton,
Medical Workforce Lead

Outcomes

£140,000 savings realised in approx. 8-10 weeks

Projected annual savings of **£2.4m annual**
